"We Care"

Message from Mrs Rogers

Welcome to the Term 2 Week 10 edition of Peek at the Creek! Wow, what a busy but wonderful term we have had. I would like to thank all of you our parents and carers for your wonderful support throughout the term.

This week you will receive your child's half yearly academic report. Please read through the report with your child and if you have any questions contact your child's teacher who will be more than willing to answer them for you.

Tomorrow is our whole school Symbio excursion. Please ensure your child is at school no later than **8.15am ready to leave promptly at 8.30am**.

Our school's annual Athletics Carnival will be held in Term 3 on Tuesday 7th August 2018. A permission note will be sent home soon!

Playgroup and Community Breakfast will not operate in Week 1 of Term 3. Playgroup will resume Monday 30th July and breakfast Wednesday 1st August.

Only one more term of printed bulletins! If you have an email account please register it with the school otherwise you will need to use Facebook or access it from the school website from next term.

I wish you all a happy holiday! Enjoy some sleep-ins and rest.

Mrs Amanda Rogers

Thank you PACER!

Students from our school have recently undertaken, an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion and has already been passed onto students by way of discount before camp.

Jump Rope for Heart Jump Off day!

This Thursday students in Years 3 to 6 will participate in their Jump off session to raise funds for The Heart foundation.

Students will have a session to share skipping skills and fun all in the name of health and charity.

If you have raised funds online, we thank you for your support!

Any other money not collected online is due to the office this week. Please make sure you have returned money to the office by the end of term!

Happy heart and great skipping!

KD

Last week KD and some of our fantastic parent helpers went exploring around our school for different types of leaves. We made a whole community of leaf people and wrote descriptive sentences about them. KD are very proud of how much we have learnt over the last 6 months!

Stage 1 - Project Based Learning

1H and 2V have been working hard on their projects this term. The students were given a 'problem', that Year 6 needed help to raise funds for their farewell. The students then formed groups and decided upon a product that they could create and sell at school. There are a variety of products that will be available to be sold including plants, fancy pencils, cookies, lemonade and even edible slime! We hope you will be able to join us!

PBL SHOWCASE DAY

Date: Wednesday 4th August 2018

Time: 1:40- 2:30

There will be also be a small sausage sizzle available for purchase on the day!

Stage 2 - Science Incursion

Stage Two recently had Ranger Jamie and his crew visit our school for a day of hands on science fun. Students participated in a variety of activities to support the topics learned in class this semester. They learned about solids, liquids and gases and how they interact with each other to change form. We made lava lamps, exploding bags, exploding rockets... did someone say 'HOT DOGS?' and of course the winner of the day Oobleck. Oobleck was the best fun and the most mess! Sorry Mums and Dads for the messy clothes at the end of the day but we had a BLAST!!!

Transition to High School - A Taste of Cecil Hills High School

Year Six Students were invited to experience a day in the life of a high school student last Monday at Cecil Hills High School. Year Six experienced a variety of lessons including woodwork, cooking and art. It was a great day. It is always lovely to hear reports back from CHHS that our students were safe, respectful learners. A great experience as high school draws closer.
