Term 3 Week 4, 2018

"We Care"

Message from Mrs Rogers

What an exciting couple of weeks we have had back at school for term 3!

Congratulations to all our students for their wonderful participation and behaviour at our Athletics Carnival. It was a cold, windy day but in true Kemps Creek spirit we got on with the day and made it a great success. Thanks to our parents who braved the weather on the day to support us. Winners are published later in this edition of the newsletter. Ribbons will be given to winners at an assembly this week.

Congratulations to our debaters who have had 3 wins and a draw. We wish you the best of luck in the final round.

Please keep up to date with school events via this newsletter, Facebook, notes home and our electronic sign. We don't want you to miss any events. We are also now on Twitter if you would like to follow us! Twitter allows us to share with other schools the great things we are doing at Kemps Creek.

Thank you to our community who always so generously give to support our school. Thank you to Jasper in KD who has donated lovely lolly jars to be raffled to support our Year 6 Farewell and to the Wall family who is supplying the wreath for our student leaders to lay at the Victory in the Pacific ceremony tomorrow.

Mrs Amanda Rogers

Head Lice

Unfortunately head lice continue to be a problem in our school. To help minimise the spread I encourage all parents to check their child's hair at least once a week and notify the school if eggs or lice are present so we can make other parents aware. Chemist treatments are the best way to treat head lice. Please also keep long hair tied back. If you are experiencing financial hardship at the moment the school can help with the purchase of products.

Education Week - Open Classrooms

Wednesday will be our open classrooms to showcase all of the great things we do at Kemps Creek Public School. Our community is invited to visit our classrooms and share lunch with our students.

10am - Open Classrooms 3A, 4/5S and 5/6P

10:30am - Visit our library... See what is new!

11am - Open Classrooms KD, 1H, 2V

11:30am - Stay for lunch!

Year 6 will be selling drinks and packets of chips on sale at lunch time.

Hot Dog Pre-Orders close today!

Robokids wrap up!

What a week it was for Robokids. Mr A spent time with each class working on robotics. Each student learned how to code and program their robots and even take on a challenge or two! We had such a great time. Thank you to our P&C who raised the funds to run this incursion and support our student learning. We are truly grateful.

Hello Boys and Girls,

Wow! We are back for another term! I hope you all had a happy and safe holiday and are getting stuck into all your school work. There are many exciting things that are coming up and I hear that you will be voting soon for your whole school reward once my belly is full! Keep working hard for those coupons! There will also be something installed at school that I will be featured on... keep an eye out! Thank you to the boys club who are working hard to make a change for our farmers. I have many friends out there who are going through some hard times so any help is FANTASTIC!
